RAFFLE, AUCTION, AND BOWL SHOW RULES

RAFFLE

At every monthly meeting, a raffle is held of an item related to the tropical fish hobby. Tickets are 25 cents each or 5/\$1.00 and are on sale at break time. It's fun to give it a try. Even if you don't win it helps to support the club.

MONTHLY AUCTION

We also have an auction at every general meeting. This gives everyone a chance to buy supplies and fish or to see something they have on hand. Everyone can bid on an item as many times as they want. The person who offers the highest price then pays the treasurer.

If you wish to sell something at the auction, you collect the proceeds from the treasurer; 25% (members) 30% (non-members) of the amount is kept for the benefit of the society. Be sure to wrap the fish securely and in bags with plenty of air. Auction forms should be obtained from the Treasurer prior to the auction. Mark all information about the fish on the outside of the item and be careful of temperature changes. Any and all items associated with the aquarium hobby can be entered. All mechanical devices must be labeled if they have any defects.

Items raffled might be aquarium pumps, heaters, filters, plants, fish, live food cultures, aquariums, books, etc. Donations are always welcome and will be indicated by the auctioneer.

BOWL SHOW

(revised Dec. 2006)

The primary purpose of the bowl show is educational. It enables members to see and examine different species of fish, it familiarizes members as to judging procedures and it encourages the showing and keeping of fish.

1. The Bowl Show Chairman shall have complete charge of all entries. Any unusual requirements or exceptions or questions about these rules must be discussed with the chairperson. The decision of the chairperson is FINAL.
2. All entries shall be in containers having at least 2 flat sides with an unlighted cover (a clear plastic or glass cover is desirable). The use of airstones will not be permitted.
3. All containers must be devoid of contents, except for water and fish. With the exception of foils, a solid-colored background will be allowed.
4. There will be two classes; the Fish of the Month class, and an Open class.
5. If you have a family membership you may accumulate points in one of the following ways: all points are placed under the family name OR points are kept separately for each family

member. This determination must be made at the first bowl show of the year.

6. Only members in good standing may enter fish.
7. The exhibitor must be present to enter fish in the show.
8. Dealers may enter "for display only" under the shop's name.
9. There will be 3 judges selected for each month by the chairperson. The judges will rank the fish by class (i.e. 1 - the best, 2 - 2nd best, etc.).
10. A member may enter the same fish or pair of fish as many times as desired, provided that the fish do not win a 1st, 2nd, or 3rd place award. In such cases, the exhibitor may not enter the same fish again until Super Bowl.
11. Ribbons will be presented only to the top 3 qualifying scores. No ribbon will be awarded to a sole entry in a class, but fish will receive its first place points.
12. A small label must be attached to each entry giving the scientific name. The common name is desirable but optional.
13. Entry fees are: 25 cents for junior members; 50 cents for adults.
14. Entries must be in the possession of the owner for one month prior to the show.
15. Entries must be brought in for display by the start of the meeting (7:00 p.m.); no entries will be accepted after that time.
16. The decision to award all ribbons for a specific class will be left to the sole discretion of the judges and the chairperson.
17. In the event that a bowl show consists of more than one class, a fish can be entered in only one of the available classes.
18. The decision of the judges is FINAL. No diseased, malformed or mutilated fish will be judged. Two of the judges must agree to disqualify a fish.
19. Point awards:
First Place - 25 points
Second Place - 15 points
Third Place - 10 points
Participating- 1 point/class

Participating - Any individual showing a fish will be awarded 1 point per fish (maximum 2 points per show). I.E., John Smith brings in two fish, one for the open class and one for the goldfish class. He receives 2 points for entering two fish. The goldfish takes second place for 15 points. His total for the show would be 17 points.

20. If a Super Bowl Show is held, it will consist of entries that have placed 1st, 2nd, or 3rd during the year. Top 3 entries receive ribbons.
21. The top 3 point recipients for the year will receive \$25, \$15, or \$10 gift certificates to a local pet store.

CNYAS CLUB LIBRARY

In addition to a number of hardcover books, The Central New York Aquarium Society mails a copy of its bulletin, THE REFLECTOR, to other clubs in exchange for a copy of theirs, thus the term "exchanges". Each exchange is torn apart and areas concerning club business and gossip are tossed away and the remaining articles are sorted according to subject matter and placed in its respective binder (see topics listed below).

Rules became necessary when material was kept for unduly lengths of time and some were never returned at all, some lost and some damaged beyond repair. By signing out material from the library you are agreeing to these rules.

1. You must be a PAID member of CNYAS to borrow books.
2. Any material lost, damaged, or defaced in any way will be replaced at the borrower's expense. Please do not take apart, write in, or get the material wet. For the books that do not have a price tag (e.g., constructed books) there will be a \$5 fee imposed on any damaged or lost material.
3. Do not untapped the pages of the constructed books. The pages have been taped together for the reason of saving space and money. Most of the information in between the pages is either advertising, duplicate or useless material.
4. One month is the maximum time you may keep any material unless you renew at a subsequent general meeting. If you don't plan on returning it the following month or if you are unsure about attending the meeting, don't borrow it. Look them over during the break.

Titles of Constructed Books

Anabantoids
Aquascaping and Plants
Barbs, Tetras, Rasboras, Danios, Rainbows, Characins
Bettas: Wild and Splendens
Botia, Loaches, Sharks and Eels

Photography
Reptiles, Amphibians, Snails, Crayfish
Setting Up and Maintenance
Show, Judging and Auctions

Oddballs (Gobies, Gars, Knives), Native Fish
The Hobby in General
Breeding Show Rules from Other Clubs

ANNUAL AUCTION RULES

(revised 2008)

SELLER REGISTRATION. Obtain your seller's ID and paperwork¹ by calling 315/454-4792. List items consecutively on the form with no empty lines between items. The ID# on the form should correspond with the label on the item. Completed sheet(s) are to be taken to the registration table prior to the start of bidding. **THERE IS A LIMIT OF 5 ON SIMILAR HARD GOODS (examples: heaters, pumps, filters, etc.) AND 5 BAGS PER SPECIE OF FISH OR PLANT. No exceptions!**

We are using the "10 table" system so place your item on the table that corresponds with the last number of your item's ID. For example, on Table 1 place items 1,11,21, etc.; on Table 2 place items 2,12,22 etc. After items on Table 2 have been auctioned, the remaining table numbers will be placed in a lottery and this will determine which table will be next. No items can be renumbered or moved. There is a \$2 fee if you would like to "fast track" an item. Items brought in late will be auctioned off later on in the afternoon.

Equipment: Label each item and mark equipment that is not working properly or is not in its proper brand name box (i.e., a Supreme Heater box contains a Supreme heater).

Livestock: Bag & label fish/plants properly in bags obtained from pet shops or from our meetings. Double bagging is recommended and food storage bags will NOT be accepted. Fish labeled as a pair must be a male and a female. **A \$1 fee will be charged if any rebagging is necessary.**

Payments: A check and a copy of your "Seller Sheet" will be mailed out within 5 business days. Members receive 75% of selling price; Non-members 70%. **At the end of the auction** sellers may apply what they have purchased against what they have sold. If the individual buys more than he has sold, he will pay the difference at checkout. If he is due money, he will receive a check by mail.

BUYER REGISTRATION is done the day of the auction. You must preregister as there are NO cash transactions on the floor. Fill out the Buyer Registration Form and receive your buyer number and paper plate. This plate is to be held up for each item where you are the high bidder. Any buyer that wishes to leave the auction and return later on must turn in his plate and number and pay for any items purchased. When returning, the buyer will need to re-register and obtain a new number.

¹ **Sellers who wish to receive their forms via email, be sure to provide your email address when calling.**

Checking Out & Payments: Go to the cashier's table and obtain a computer print out of the items you purchased. The treasurer will accept checks from club members only, all others must pay in CASH.

Once the auctioneer starts selling items from the last table number pulled from the lottery, checking out will be suspended. After the last item is sold, 15 minutes will be allowed for the computer operators to enter the remaining tags before checking out is resumed.

Other:

- Club donations can be identified by an ID beginning with "C".
- Only auction workers may remove items from a table.
- Items are auctioned in \$1 increments, or left to the discretion of the auctioneer.
- Items not picked up at the end of the auction become the property of the CNYAS.
- CNYAS is not responsible for equipment purchased at the auction. Any problems are to be resolved between the buyer and the seller.
- Computer operators will be keeping track of buyer ID numbers, items and prices.

CENTRAL NEW YORK AQUARIUM SOCIETY CONSTITUTION

ARTICLE I. NAME

The name of this organization shall be the "Central New York Aquarium Society."

ARTICLE II. PURPOSE

The objective of this organization shall be to further the study of all forms of aquatic life, to promote interest, exchange ideas and distribute information concerning the hobby, to encourage breeding and displaying of aquatic life. The Central New York Aquarium Society shall be a non-profit educational organization. In no way shall any member of the club receive any of the net earnings or assets privileges.

ARTICLE III. MEMBERSHIP

- A. Anyone interested in amateur ichthyology or in any of its applied phases may become a member of the club.
- B. Adult Membership shall be anyone 18 years of age or older.
- C. Junior Membership shall be anyone under 18 years of age. Those under age 13 must be accompanied by an adult. Junior members under 13 have no voting privileges.
- D. Corresponding Members shall be members who receive the club bulletin. They shall have no voting privileges.

ARTICLE IV. DUES

Dues shall be established by the By Laws of the Society.

ARTICLE V: MEETINGS

- A. A business meeting of the Executive Committee shall be held once a month. Special meetings may be called by at least 3 BOD members with 72 hours prior written notice. Business meetings may be conducted with five or more board members present; majority rules. Any society member may attend the board meetings.
- B. The regular meeting of the general assembly shall be held once a month.

ARTICLE VI: OFFICERS

- A. The officers of the organization shall be President, Vice-President, Secretary, Treasurer, Editor, and Public Relations Officer.
- B. The Board shall consist of the officers and five other elected members. This shall constitute the "Executive Committee."

- C. The Executive Committee shall be elected members in good standing, and shall hold office for one calendar year.

ARTICLE VII: DUTIES OF OFFICERS

- A. President. The President shall be an adult member of the club. The President shall preside over all meetings, appoint chairmen of all committees, be ex officio of all committees except the nominating committee, and shall have the authority to sign checks with the knowledge of the treasurer.
- B. Vice President. The Vice-President shall be an adult member of the club. The Vice President shall preside in the absence of the President, perform all duties of that office, and shall act as Program Chairman. The Vice President shall have the authority to sign checks with the knowledge of the treasurer.
- C. Secretary. The Secretary shall be an adult member and shall keep an accurate and permanent record of the minutes of the club. Minutes shall be available and posted at all meetings for any necessary review.
- D. Treasurer. The Treasurer shall be an adult member of the club. The Treasurer shall keep an accurate record of all funds collected, pay all bills approved by the executive Committee, summarize and post a statement of accounts at each business meeting. A complete financial report shall be given each fiscal year. The Treasurer shall have the authority to sign checks.
- E. Editor. The Editor shall be responsible for monthly bulletins of the club and shall appoint a staff whenever necessary.
- F. Public Relations Officer. The Public Relations Officer shall be in charge of publicizing the events of the club and of presenting the club in the best light to the community. While all club members should seek to gain new members, the Public Relations Officer shall consider securing additional members as one of the primary duties of this office.

ARTICLE VIII: CONSTITUTION AMENDMENTS

The Constitution may be amended by a two-thirds vote of those members present at any regular meeting, providing at least one third of the membership is present. Any member may propose an amendment or addendum to the constitution by presenting such proposals in writing to the board for consideration. The change will then be printed in the next club bulletin along with the recommendation of the Board of Directors. Voting on the proposed amendments will take place at the next general meeting.

ARTICLE IX: RULES OF ORDER

- A. The rules contained in "Robert's Rules of Order, Revised" shall govern this organization where applicable and not in conflict with the Constitution.
- B. This Constitution shall be reviewed annually by the Board.

ARTICLE X: BY LAWS

By Laws of the Society shall be formulated by the Executive Committee and presented to the membership at a general meeting after written notice to the membership. By Laws may be passed by a majority vote of those members present at the first general meeting following such notice.

AMENDMENTS TO THE CONSTITUTION

Amendment #1: Notwithstanding any other provision of these articles, the society is organized exclusively for educational purposes as specified in section 501(c)(3) of the Internal Revenue Code of 1954 and shall not carry on any activities not permitted to be carried on by a corporation exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code of 1954.

Amendment #2: No part of the net earnings of the society shall inure to the benefit of any member, trustee, director, officer of the corporation, or any private individual (except that reasonable compensation may be paid for services rendered to or for the society) and no member, trustee, officer of the society or any private individual shall be entitled to share in the distribution of any of the corporate assets on dissolution of the society.

Amendment #3: No substantial part of the activities of the society shall be carrying on propaganda, or otherwise attempting, to influence legislation (except as otherwise provided by Internal Revenue Code section 501(h), or participating in, or intervening in, including the publication of statements), any political campaign on behalf of any candidate for public office.

Amendment #4: In the event of dissolution, all of the remaining assets and property of the society shall after necessary expenses thereof be distributed to the Liverpool Public Library, 2nd and Tulip Streets, Liverpool, NY 13088.

Amendment #5: Any officially sponsored club function may be attended by any member in good standing.

Amendment #6: "The name of this organization shall be the Central New York Aquarium Society, Inc."

Amendment #7: The official emblem shall be the logo designed by Terry Doyle in 1976: double fish

surrounded by the words, Central New York Aquarium Society.

Amendment #8 Addition to Article V.A.: In the event that general meetings are suspended during the months of July and August, informal business meetings may be conducted but no official business decisions will take place, even if a quorum is present.

Amendment #9 Addition to Article V.B.: At the discretion of the BOD, meetings during the months of July and August may be suspended.

Amendment #10 Article VI.C. to read as follows: The Executive Committee shall be elected members in good standing, and shall hold office for one year. Term of office for the newly elected members of the Executive Board shall commence following the close of the June general meeting.

Amendment #11 Article VII. C. to read as follows: The Public Relations Officer shall be in charge of publicizing the events of the club, making certain that the club is presented in a positive manner to the community.

BY-LAWS

1. Dues:
Annual membership dues shall be payable to the Membership Chairperson at or before the September meeting.

Family Membership	\$15
Adult Membership	\$12
Junior Membership	\$ 8
Corresponding	\$ 9

2. Committees:
Committee Chairperson appointments shall be made by the President. The duties of standing committees shall be as follows:

Archive Chairperson - Shall maintain a copy of all published "Reflectors", and any correspondence or documents deemed important by the BOD.

Auction Chairperson - The Auction Chairman shall be responsible for seeing that the rules of the annual auction are followed; shall be responsible for obtaining the auctioneer(s) and all volunteers necessary to conduct the event.

Bowl Show - The Bowl Show Chairperson shall be responsible for seeing that the rules of the monthly bowl show are followed; registration of the entrants; securing judges; distributing awards; keeping track of results, and preparing a report for publication in The Reflector.

Breeders Award Chairperson (BAP) - The BAP Chairman shall maintain and keep an accurate record of all spawning records submitted by the membership; shall select a staff to assist with witnessing of spawnings; shall prepare regular

committee reports in The Reflector; and review and update the BAP rules as the need arises. In May of each year, the names of those who qualify for awards shall be given to the Treasurer, who will obtain the awards.

Exchange Editor - The Exchange Editor shall be responsible for maintaining an exchange list of clubs, making club address changes known to the Editor, receive exchange publications, and writing a review column for The Reflector on a regular basis. He/she may appoint an assistant if necessary.

Horticultural Award Chairperson (HAP) - The HAP Chairman shall maintain and keep an accurate record of all propagation records submitted by the membership; shall select a staff to assist with witnessing of propagations; shall prepare regular committee reports in The Reflector; and review and update the HAP rules as the need arises. In May of each year, the names of those who qualify for awards shall be given to the Treasurer, who will obtain the awards.

Hospitality Chairperson - Shall be responsible for greeting guests as they arrive.

Librarian - The Librarian shall be in charge of checking in and out all reference materials belonging to the club; shall be responsible for keeping an accurate record of all club owned material, and shall make them readily available to all members upon request. With BOD approval, the Librarian may also add items to the club library in an effort to keep it up-to-date and may also dispose of outdated material at the annual club auction.

Membership - The Membership Chairperson shall also be responsible for maintaining an up-to-date list of members, collecting dues, and transferring same to Treasurer. He will distribute the society membership handbook to all new members, and provide membership cards to new and renewing members.

Nominations - A nominating committee of at least three members appointed by the President and approved by the board shall select a slate of nominees for officers and board members. This slate shall be published in the March issue of the bulletin. At the next regular meeting immediately following publication of the slate of officers, additional nominations from the floor of the general assembly shall be accepted. Nominees shall be voted on during the following month's regular meeting. Installation shall take place before or during the subsequent regular meeting of the general assembly.

Parliamentarian - It shall be the duty of the Parliamentarian to offer advice on matters of Parliamentary law and procedure to the President, Officers and to the membership.

Program - The Program Chairman (Vice President) shall arrange and schedule programs for each general meeting, including the acquisition of equipment; arrange for overnight accommodations for guest speakers; and inform the Treasurer about honorarium payments.

Refreshments - The Refreshment Chairperson shall be responsible for purchasing, preparing, and serving of refreshments at each meeting and be responsible for leaving the Meeting Room in a proper state of cleanliness.

3. Membership Benefits

Family, Adult, and Junior members are entitled to participate in all club meetings, sanctioned programs, activities and services; and voting privileges as outlined in the constitution. They receive a copy of the society's publication, a copy of the membership handbook, and a membership card. Corresponding members may attend any club meeting or activity. They receive a copy of the society's publication and a membership card. These members have no voting rights and cannot hold any official positions.

4. Voting Requirements

In any general election an individual membership entitles the member to 1 vote; in a family membership each member over the age of 13 is entitled to 1 vote. Members must be present at the meeting to vote.

5. Vacancies

- a. A vacancy shall exist in an officer, committee, or other working position, when that member ceases to be a director, officer, chairperson, or worker, for any reason save replacement by election.
- b. The President shall name one or more nominees to fill any vacancy within 30 days of the creation of the vacancy. Appointment to fill any officer vacancy shall be contingent upon the majority vote of the incumbent members of the Executive Board.
- c. Appointees hold their position for the balance of the respective term or until a successor is elected.

6. Removal from Office or Position

- a. An officer, chairperson, or other worker may be removed from office or position for failure to fulfill his/her responsibilities as outlined in the Constitution.
- b. Method for removal shall be a motion by the President or any two (2) BOD members. A Board Member, selected and approved by the majority of the Executive Committee, shall make all possible attempts in contacting the offending party. The investigating BOD member shall determine if it is in the best interest of this aquarium society, to a call for the individual's removal. If removal is required, the proposal will be

put to a vote in the next immediate BOD letter under an item for business and shall include all details effecting the case. A majority of the remaining members of the Executive Board must approve the removal of the involved member.

7. Official Publication
"The Reflector" shall be the name of the official publication.
8. Constitution History
A section outlining changes to the constitution shall be included as part of the constitution.

History of Changes to the Constitution

May 1977

CHANGE in Bylaw 1 - from "all dues are payable in September", to "Annual membership dues shall be payable to the Treasurer on the anniversary of his/her initial membership."

April 1984

- CHANGE to Article V to read as follows - "A business meeting of the Executive Committee shall be held once a month. Special meetings may be called by at least 3 BOD members with 72 hours prior written notice. Business meetings may be conducted with five or more board members present; majority rules. Any society member may attend the board meetings."
- CHANGE to Article VIII - "The Constitution may be amended by a two-thirds vote of those members present at any regular meeting, providing at least one third of the membership is present. Any member may propose an amendment or addendum to the constitution by presenting such proposals in writing to the board for consideration. The change will then be printed in the next club bulletin along with the recommendation of the Board of Directors. Voting on the proposed amendments will take place at the next general meeting."
- CHANGE to Amendment 4 - "In the event of dissolution, all of the remaining assets and property of the society shall after necessary expenses thereof be distributed to the Liverpool Public Library, 2nd and Tulip Streets, Liverpool, NY, 13088."
- ADD Amendment #5 regarding club functions.

May 1986

ADD Bylaw 4, which is a clarification to Article VI.D. - "In any general election an individual membership entitles the member to 1 vote; in a family membership each member over the age of 13 is entitled to 1 vote. Members must be present at the meeting to vote."

This Bylaw was incorrectly inserted into constitution body.

June 1991

ADD Bylaw 3 regarding membership benefits.

April 1992

- ADD Amendment 6 reflecting incorporation in January 1987.

- ADD Amendment 7 regarding official logo.
- Amendment 8 - ADD to Article V.A. - New sentence added regarding July & August business meetings.
- Amendment 9 - ADD to Article V.B. - New sentence added regarding July & August general meetings.
- Amendment 10 - CHANGE to Article VI.C. - regarding commencement of office terms.
- Amendment 11 - CHANGE to Article VII.F. - regarding duties of Public Relations Officer.
- Bylaw 1 - omission of first sentence re-entered.
- Bylaw 2 - General statement regarding committee appointments added. New chairperson descriptions added for Archive, Auction, Breeder Award, Exchange Editor, Horticulture Award, Hospitality, Parliamentarian, and Program. Changes were made to Membership and the description for the Librarian was expanded.
- ADD Bylaw 4 - Definition of this voting requirement was approved in May 1986 as a bylaw but incorrectly inserted into constitution body.
- ADD Bylaw 5 regarding expenditures.
- ADD Bylaw 6 regarding vacancies in officer, committee and worker positions.
- ADD Bylaw 7 regarding removal from office or position.
- ADD Bylaw 8 regarding publication.
- ADD Bylaw 9 regarding constitution history.

September 1995

- Article VI. Officers: MOVE Section D, describing nominating committee duties, to By-Laws, item #2, Committees.
- CHANGE Article VII. Duties of Officers, #F Public Relations Officer to read: The Public Relations Officer shall be in charge of publicizing the events of the club and of presenting the club in the best light to the community. While all club members should seek to gain new members, the Public Relations Officer shall consider securing additional members as one of the primary duties of this office.
- Under Article VII. Duties of Officers, the following CHANGES were made:

PRESIDENT: The President shall be an adult member of the club. The President shall preside

over all meetings, appoint chairmen of all committees, be ex officio of all committees except the nominating committee, and shall have the authority to sign checks with the knowledge of the treasurer.

VICE PRESIDENT: The Vice-President shall be an adult member of the club. The Vice President shall preside in the absence of the President, perform all duties of that office, and shall act as Program Chairman. The Vice President shall have the authority to sign checks with the knowledge of the treasurer.

TREASURER: The Treasurer shall be an adult member of the club. The Treasurer shall keep an accurate record of all funds collected, pay all bills approved by the executive Committee, summarize and post a statement of accounts at each business meeting. A complete financial report shall be given each fiscal year. The Treasurer shall have the authority to sign checks.

- Article VII, Duties of Officers: DELETE #G, Board Members.
- Article III, Membership: DELETE #E, Commercial Members.
- By Laws, #1 DELETE Commercial Members Dues.
- CHANGE By-Laws, #3 Membership Benefits, para 2 to read: Corresponding members may attend any club meeting or activity. They receive a copy of the society's publication and a membership card. These members have no voting rights and cannot hold any official positions.
- DELETE By Laws #5, Expenditures. Note: This will be included in a new "Procedures Manual".
- By Laws, #2 Committees. Under Program description, DELETE last sentence, "If an annual budget is not approved, the BOD must pre-approve all travel expenses prior to speaker confirmation". This will added to Expenditures in new Procedures Manual.

September 1999

CHANGE By-Law 1 from: Dues: Annual membership dues shall be payable to the Treasurer on the anniversary of his/her initial membership. The dues of the Central New York Aquarium Society shall be as follows:

Family Membership	\$12
Adult Membership	\$9
Junior Membership	\$6
Corresponding	\$9

CHANGE TO: Dues: Annual membership dues shall be payable to the Treasurer on the anniversary of his/her initial membership. The dues of the Central New York Aquarium Society shall be as follows:

Family Membership	\$15
Adult Membership	\$12
Junior Membership	\$8
Corresponding	\$9

September 2008

CHANGE By-Law 1 from: Dues: Annual membership dues shall be payable to the Treasurer on the anniversary of his/her initial membership. The dues of the Central New York Aquarium Society shall be as follows:

Family Membership	\$15
Adult Membership	\$12
Junior Membership	\$ 8
Corresponding	\$ 9

CHANGE TO: Dues: Annual membership dues shall be payable to the Membership Chairperson at or before the September meeting.

Family Membership	\$15
Adult Membership	\$12
Junior Membership	\$ 8
Corresponding	\$ 9

CENTRAL NEW YORK AQUARIUM SOCIETY BREEDER'S AWARD PROGRAM

Updated August 2008

PURPOSES

- A. To recognize outstanding achievement in the breeding of aquarium fish.
- B. To encourage spawning of aquarium fish.
- C. To share knowledge of breeding techniques.
- D. To enable more members to participate in club activities.

ELIGIBILITY

All members are eligible for the Breeder's Award Program. If any member should not renew his/her membership, his/her points will be kept on the 'inactive' list until such time that they renew their membership again.

COMMITTEE

- A. The Breeder's Award Committee will consist of a Chairman and at least two additional appointed members.
- B. The duties of the Committee will consist of witnessing spawnings and fry as outlined below, maintaining an accurate record of the point standings, reporting these to the membership and obtaining and presenting awards.
- C. From time to time the Committee may feel that certain changes or modifications in the rules may be necessary. The Committee will adhere to the following procedure if changes are to be made to the current BAP. No changes or modifications will be retroactive.
 - 1. A date for the change or modification is chosen by the Committee.
 - 2. The proposed change, with the effective date, will be published in the club bulletin at least 3 months preceding the effective change.

AWARDS

BREEDER AWARD: 50 points

The aquarist must accumulate a total of 50 points, 20 from Class B and the remaining 30 from any class.

ADVANCED BREEDER: 100 points

The aquarist must accumulate a total of 100 points, in addition to completing the Breeder requirements an additional 50 points must be earned (30 from Class C or D, the remaining from any class).

EXPERT BREEDER: 200 points

The aquarist must accumulate a total of 200 points. Breeder's Award, Advanced Breeder plus 30 points must be earned from Class C or D.

MASTER BREEDER: 300 points

The aquarist must accumulate a total of 300 points. Expert Breeder requirements plus 30 points from any C or D not spawned for the Expert Breeder's level.

GRAND MASTER:

The aquarist must have completed the Master Status,

AND

He must breed a total of 75 species (with the exception of snails), 2 of which are from the "Class D" list and 2 from the "Class E" list.

OR

The breeder must spawn a total of 75 species (excluding snails) including 2 from "Class D" while at the same time fill all 16 classes in the "Species Award" category.

SPECIES AWARD: This separate award is based on the number of species spawned from the "Specialty Classification List" and any club member may participate in this achievement level as well as the regular BAP program. Points will still be awarded as per regular BAP rules. Any individual's verified spawnings from the Breeder's Award Program may be applied towards completing the requirements for this award. A separate plaque will be awarded for anyone completing a minimum of 11 of the 16 classes.

BREEDER OF THE YEAR AWARD: Presented to the member who earns the most points in one club year.

SPAWNING REQUIREMENTS

- A. CLASS A: An aquarist must spawn and raise at least 10 fry to 30 days of age or longer. Verification* must be made by any club member.
- B. CLASS B: An aquarist must spawn and raise at least 10 fry to 30 days of age. Verification* must be made by any member of the COMMITTEE after the fry are 30 days old either at the club meeting or at the aquarist's home.
- C. CLASS C: An aquarist must spawn and raise at least 10 fry to 30 days of age. Verification* must be made by any member of the COMMITTEE and a summary of these conditions under which the fish spawned may be presented either orally at a meeting or in writing for publication in the club Bulletin at the discretion of the BAP Committee.
- D. CLASS D: Conditions of Class C apply. A summary of the breeding conditions must be presented either orally at a meeting or in written form for publication in the club bulletin. Also a member of the BAP Committee must witness the fry not more than one week after hatching and again when they are 30 days of age.

- E. CLASS E: Conditions of Class D apply.

Note: Class E points are assigned per BAP Fish List; however, after 6/86 a talk or article is necessary to qualify for Grand Master Status.

IT IS NOT NECESSARY TO HAVE FISH WITNESSED AT EXACTLY 30 DAYS OF AGE, BUT FISH MUST BE WITNESSED PRIOR TO 60 DAYS OF AGE.

ADDITIONAL CRITERIA

- A. Thirty days old means 30 days after hatching of egglayers, 30 days after the fry are released in mouthbrooding species, and in the case of livebearers, 30 days after birth.

- B. Points are awarded only once for each SPECIES. No additional points will be granted for color varieties. In the case of Killies and other fish with recognized subspecies, at the discretion of the majority of the BAP Committee, an additional 5 points may be awarded.

In the event that a completed BAP form is submitted for points and the genus/species name is unknown, no points will be awarded at that time; however, the sheet will be kept on file and points will be awarded when a positive/correct identification can be made and verified.

Points are cumulative, carry over from year to year and once awarded cannot be rescinded.

- C. The fry must have been spawned by the breeder's own fish and he must be able to furnish the breeding pair upon request.
- D. Following the spawning, it is the breeder's responsibility to see that his/her points are recorded.
- E. Any fish not included in the point classification of fishes spawned will be assigned points by the BAP Committee upon request.
- F. In order to have his/her points recorded, the aquarist must submit a signed completed BAP Report Form. For "Class D" and "Class E" spawns, the requirements must be met prior to the awarding of points. There will be sufficient forms available for making duplicates. It is MANDATORY that the completed sheets be submitted to the BAP chairman BEFORE points are to be awarded for any class.
- G. Any questions you may have as to the interpretation of the rules or any suggestions as to their improvements should be submitted to the BAP Chairman in writing.

Spawns are subject to review by the BAP Committee and may be denied if deemed unacceptable. The committee has the right to refuse any spawn that may be questionable.

Special rulings may be requested of the committee. Appeals from rulings may be referred to the Board of Directors and may be modified by a two-thirds majority.

- H. All spawnings are recorded and kept on file. The completed BAP forms will be available at all general meetings and may be referred to by any club member upon request.
- I. If for some reason the 10 required fry are not obtained with the first spawn, add the second spawn to the first to make up 10 fry. Both spawns require verification. Sheets should not be submitted for points until the total of 10 fry have been witnessed.
- J. Certificates will be awarded stating the breeder's name and fish spawned until the first level, "Breeder's Award", is achieved.
- K. Only members of the BAP Committee may verify a spawn, with the exception of Class A.
- L. If a participant of the program moves out of the area making it impossible for a member of the BAP Committee to witness fish, that member's file will become inactive. If the member moves back to the area, he/she will be reinstated to the program at the previous level of achievement.

GENERAL GUIDE TO FISH CLASSIFICATION

This index should be used as a guide only.
An "*" indicates that a genus/family may be listed in two areas. In these cases, check for specific species.

CLASS A

5 Points

Poecilia ; Xiphophorus; All Snails

CLASS B

10 points

*Characins (ex: tetras)

*Cichlids: Aequidens, some Cichlasoma, some Geophagus, Haplochromis, Hemichromis, Nanochromis, Pelmatochromis, Pelvicachromis, Pseudocrenilabrus, Tilapia species except Sarotherodon, species not listed elsewhere

*Colisa

*Cyprinids (ex: Danios, Barbs, etc.

Goodeidae

Goldfish

*Killies - most mop spawning species

*Rainbowfish: Glossolepis, Melanotaenia, species not listed elsewhere

*Trichogaster

CLASS C

15 points

Badis badis

Bettas, all wild types

*Characins (ex: tetras)

*Cichlids: Apistogramma, Aulonocara, Chromides, Callochromis, Chalinochromis, some Cichlasoma, some Geophagus, Julidochromis, Labidochromis, Labeotropheus, (Alto/Lepidio/Neo)lamprologus, Lethrinops, Melanochromis, Microgeophagus, Pseudotropheus, Rhadinocentrus, Telmatochromis, Tropheus

*Colisa

*Corydoras

*Cyprinids (ex: Danios, Barbs, Minnows, etc.

*Halfbeaks (Dermogenys sp.)

Killies, all soilbreeding and some *mop spawning

North American Native Fish unless otherwise listed

*Rainbowfish

*Trichogaster

Trichopsis

CLASS D

20 points

(see list for specific species)

*Corydoras

*Cichlids: Crenicara, Crenichicla

*Half Beaks (Nomorhamphus sp.)

Rasboras

Hatchetfishes, Silver Dollars, and Piranhas

Leaf Fish

Sharks, Loaches, Botias, Eels

Congo, Neon, Black Neon, and Cardinal Tetras

Saltwater fish species

Hoplo, Whiptail, Suckermouth catfish

Uaru

CLASS E

Applies to Grand Master status ONLY

see attached list

CLASS A
5 points

- 5 Ampularia cuprina - Mystery Snail
- 5 Columbian Ramshorn Snail
- 5 Marisa rotula - Red Ramshorn Snail
- 5 Physa (pond snail)
- 5 Poecilia butleri
- 5 Poecilia caucana
- 5 Poecilia caudofasciata - Blue Limia
- 5 Poecilia chica
- 5 Poecilia formosa - Amazon Molly
- 5 Poecilia latipinna - Sailfin Molly
- 5 Poecilia melanogaster - Blue Limia
- 5 Poecilia mexicana - Sphenops Molly
- 5 Poecilia nigrofasciata - Hump Back Limia
- 5 Poecilia perugiae
- 5 Poecilia picta
- 5 Poecilia reticulata - Guppy
- 5 Poecilia sp. Endlers
- 5 Poecilia sphenops
- 5 Poecilia velifera - Giant Sailfin Molly
- 5 Poecilia versicolor - Olive Limia
- 5 Poecilia vittata
- 5 Sarotherodon leucosticta
- 5 Sarotherodon macrochir
- 5 Sarotherodon melanotheron
- 5 Sarotherodon mossambicus - Gold Tilapia
- 5 Tilapia => see Sarotherodon
- 5 Vivipara species - Live bearer Snail
- 5 Xiphophorus andersi
- 5 Xiphophorus cordoni
- 5 Xiphophorus cortezi
- 5 Xiphophorus couchianus
- 5 Xiphophorus evelynae - Puebla Platy
- 5 Xiphophorus gordoni
- 5 Xiphophorus helleri - Swordtail (all colors)
- 5 Xiphophorus maculatus - Platy (all varieties)
- 5 Xiphophorus milleri
- 5 Xiphophorus montezuma - Mexican Sword
- 5 Xiphophorus nezahualcoyotl
- 5 Xiphophorus nigrensis
- 5 Xiphophorus pygmaeus
- 5 Xiphophorus signum
- 5 Xiphophorus variatus - Variatus Platy
- 5 Xiphophorus xiphidium - Swordtail Platy

Class B
10 points

- 10 Adinia xenica [native fish]
- 10 Aequidens awani
- 10 Aequidens cf. tetramerus
- 10 Aequidens coeruleopunctatus
- 10 Aequidens curviceps => see Leatacara
- 10 Aequidens maroni - Keyhole Cichlid
- 10 Aequidens portalegrensis => see Cichlasoma
- 10 Aequidens pulcher - Blue Acara
- 10 Aequidens rivulatus - Green Terror
- 10 Aequidens sapayensis
- 10 Aidaprura carteri
- 10 Alfaro cultratus - Knife-bellied livebearer
- 10 Ameca splendens - Butterfly Goodeid
- 10 Anomalochromis thomasi - Dwarf Jewel Cichlid
- 10 Aphanius chantrei sosayali
- 10 Aphanius iberus - Spanish Killie
- 10 Aphanius mento - Persian Killie
- 10 Aphanius sophiae
- 10 Aphyocharax rubripinnis - Bloodfin
- 10 Aphyosemion ahli
- 10 Aphyosemion ahli kribbi

- 10 Aphyosemion bitaeniatum
- 10 Aphyosemion bitaeniatum ljebu-ode
- 10 Aphyosemion bivittatum
- 10 Aphyosemion bivittatum "Benin City"
- 10 Aphyosemion bivittatum bivittatum
- 10 Aphyosemion bivittatum bivittatum Funge
- 10 Aphyosemion bivittatum hollyi biafra
- 10 Aphyosemion bivittatum leonbergii
- 10 Aphyosemion bivittatum Lykoko
- 10 Aphyosemion bivittatum meme
- 10 Aphyosemion bivittatum volcanum
- 10 Aphyosemion calliurum
- 10 Aphyosemion cameronense halleri
- 10 Aphyosemion celiae
- 10 Aphyosemion celiae celiae
- 10 Aphyosemion celiae winifredae
- 10 Aphyosemion coeleste
- 10 Aphyosemion coeleste RPC-5
- 10 Aphyosemion gabunense
- 10 Aphyosemion gabunense boehmi
- 10 Aphyosemion gabunense gabunense
- 10 Aphyosemion gabunense marginatum
- 10 Aphyosemion gardneri => see Fundulopanchax
- 10 Aphyosemion maeseni
- 10 Aphyosemion marmoratum
- 10 Aphyosemion poliaki
- 10 Aphyosemion poliaki monea
- 10 Aphyosemion scheeli
- 10 Aphyosemion splendopleure Ekondo Titi
- 10 Aphyosemion splendopleure tiko
- 10 Aphyosemion striatum
- 10 Aphyosemion volcanum ekondo titi
- 10 Aplocheilichthys katange
- 10 Aplocheilichthys loati
- 10 Aplocheilichthys normani
- 10 Aplocheilus dayii
- 10 Aplocheilus lineatus
- 10 Aplocheilus panchax
- 10 Aplocheilichthys myaposae
- 10 Astyanax fasciatus mexicanus - Blind Cave Fish
- 10 Ataeniobius toweri - Blue Tailed Goodeid
- 10 Barbodes hexazona - Six Banded Barb
- 10 Barbodes lateristriga - T Barb
- 10 Barbus nigrofasciatus
- 10 Bedotia geayi - Madagascar Rainbow
- 10 Betta splendens
- 10 Brachydanio albolineatus - Pearl Danio
- 10 Brachydanio frankei - Leopard Danio
- 10 Brachydanio kerri
- 10 Brachydanio nigrofasciatus
- 10 Brachydanio rerio - Zebra Danio
- 10 Brachyrhaphis rhabdophora
- 10 Brachyrhaphis roseni
- 10 Capoeta oligolepis - Checkerboard Barb
- 10 Capoeta pentazona - Five Banded Barb
- 10 Capoeta semifasciolatus
- 10 Capoeta tetrazona - Tiger Barb
- 10 Capoeta titteya - Cherry Barb
- 10 Carassius auratus - Goldfish
- 10 Carlhubbsia stuarti
- 10 Chapalichthys pardalis - Polkadot Goodeid
- 10 Characodon lateralis - Red Rainbow Goodeid
- 10 Cichlasoma amazonarum
- 10 Cichlasoma aureum
- 10 Cichlasoma bimaculatus
- 10 Cichlasoma biocellatus => see C. octofasciatus
- 10 Cichlasoma brownae
- 10 Cichlasoma carpintis

 10 Melanotaenia nigrans
 10 Melanotaenia parkinsoni
 10 Melanotaenia praecox
 10 Melanotaenia splendida
 10 Melanotaenia splendida australis
 10 Melanotaenia splendida inornata
 10 Melanotaenia splendida splendida
 10 Melanotaenia trifasciata
 10 Mesonata festivus - Flag Cichlid
 10 Nannacara anomala - Golden Eye Dwarf Cichlid
 10 Nanochromis dimidiatus - Purple Krib
 10 Nanochromis nudiceps - Green Krib
 10 Nanochromis parilius - Barred nudiceps
 10 Oryzias celebensis
 10 Oryzias latipes - Medaka Rice Fish
 10 Oryzias melastigmus
 10 Pachypanchax omalonorus
 10 Pachypanchax playfairi
 10 Paracyprichromis nigripinnis
 10 Pelmatochromis affinis pulcher - Giant Krib
 10 Pelmatochromis ansorgii - Spotted Krib
 10 Pelmatochromis subocellata - Chameleon Krib
 10 Pelmatochromis thomasi => see Hemichromis
 10 Pelvicachromis cf. pulcher
 10 Pelvicachromis pulcher - Common Krib
 10 Pelvicachromis taeniatus - Slender Krib
 10 Phallichthys amates - Merry Widow
 10 Phallichthys amates amates
 10 Phallichthys quadripunctatus
 10 Phalloceros caudimaculatus reticulatus
 10 Poecilia dominicensis
 10 Poeciliopsis gracilis - 5 Spotted Livebearer
 10 Poeciliopsis hnlickai
 10 Popondetta furcata
 10 Pseudocrenilabrus multicolor
 10 Pseudocrenilabrus philander
 10 Pseudocrenilabrus philander dispersus
 10 Pseudophromenus dayi
 10 Pterophyllum scalare - Angelfish
 10 Puntius bimaculatus
 10 Puntius conchoniis - Rosy Barb
 10 Puntius filamentosa
 10 Puntius gelis
 10 Puntius nigrofasciatus - Black Ruby Barb
 10 Puntius odessa
 10 Puntius Sachsi
 10 Puntius sachsi - Gold Barb
 10 Puntius ticto
 10 Quintana atrizona - Cuban Livebearer
 10 Rhinichthys atratulus
 10 Rivulus cryptocallus
 10 Rivulus cylindraceus

10 Rivulus hartii
 10 Rivulus holmiae
 10 Rivulus holmiae - Buttercup Rivulus
 10 Rivulus magdalenae
 10 Rivulus milesi - Golden-tail Rivulus
 10 Rivulus tenuis
 10 Rivulus xiphiidius
 10 Scolichthys greenwayi
 10 Tanichyths albonubes - White Cloud
 10 Thayeria obliqua - Penguin fish
 10 Thysochromis ansorgii
 10 Tilapia aurea
 10 Tilapia mariae
 10 Tilapia ruweti
 10 Tilapia sparrmani - Peacock dorsal Cichlid
 10 Trematocranus placodon
 10 Trichogaster leeri - Pearl Gourami
 10 Trichogaster trichopterus - Blue, Gold, Cosby, etc.
 10 Ugandan cognate (subspecies of P. multicolor)
 10 Xenophorus captivus - Green Goodeid
 10 Xenophallus umbratilis
 10 Xenotaenia resolanae - Leopard Goodeid
 10 Xenotoca eiseni - Red Tailed Goodeid
 10 Zoogoneticus quitzeensis

 20 Phenacogrammus interruptus - Congo Tetra
 20 Polycentrus schomburgki - Leaf Fish
 20 Rasbora heteromorpha
 20 Rasbora trilineata
 20 Rineloricaria filamentosa - Whiptail Catfish
 20 Rineloricaria formosa
 20 Rineloricaria morrowi
 20 Rineloricaria parva
 20 Saltwater Fish (Any)
 20 Scatophagus argus
 20 Sphaerichthys oophromenoides - Chocolate Gourami
 20 Symphysodon sp. - Any Discus
 20 Uaru amphiacanthoides

Class E

Applies to Grand Master Status Only

- | | |
|-----------------------------|-----------------------------------------------------|
| 1) Saltwater or Brackish | 1 distinct fish species |
| 2) Shark, Loach, Botia, Eel | 1 distinct species |
| 3) Invertebrates | 4 distinct species other than snails |
| 4) Tetras | 1 from Hyphessobrycon species |
| 5) Silver Dollar or Piranha | 1 distinct species |
| 6) Gouramis | Helostoma temmincki or Sphaerichthys osphromenoides |
| 7) Rasboras | 1 distinct species |
| 8) Leaf Fish | 1 distinct species |
| 9) Anableps anableps | |
| 10) Stickleback | 1 distinct species |
| 11) Headstander | 1 distinct species |
| 12) Glass Catfish | 1 distinct species |
| 13) Hatchet Fish | 1 distinct species |

SPECIALTY CLASS

If a fish falls into more than one category, the participant must select the category in which he wishes to record the spawn. This decision is final and may not be reclassified at a later date.

- | | |
|---------------------------------------------------|-----------------------------------------------------------|
| 1. Livebearers | 6 (2 species must be other than Poecilias or Xiphophorus) |
| 2. Anabantids (Other than Bettas) | 4 distinct species |
| 3. Bettas | 2 distinct species |
| 4. Barbs | 3 distinct species |
| 5. Rasboras | 1 distinct species |
| 6. Tetras | 3 distinct species |
| 7. Cichlids-Mouthbrooding | 2 distinct species |
| 8. Cichlids-Substrate Spawners | 5 distinct species |
| 9. Killies-Mop Spawners | 2 distinct species |
| 10. Killies-Peat Spawners | 2 distinct species |
| 11. Catfish (Other than Corydoras, etc.) | 1 distinct species |
| 12. Corydoras, Brochis, Aspidoras etc. | 2 distinct species |
| 13. Cyprinids (Other than those listed elsewhere) | 4 distinct species |
| 14. Goldfish & Koi | 1 distinct species |
| 15. Native American Fish | 2 distinct species |
| 16. Other | 1 distinct species |

Invertebrates

(Investigational Class)

The following species have been reproduced by our club members:

Marine Species

Aiptasia pallida-Pale sea anemone
Clavelina huntsmani-Sea Squirt
Eurythoe complanata-Bristle worm
Hallocynthia papillosa-Sea Squirt
Neomysis americana-Saltwater shrimp
Obelia geniculata-Wine Glass Hydroid

Sabellastarte magna-Feather Worm
Thelepus crispus-Terebellid Worm

Freshwater Species

Palaemonetes elegans - Ghost Shrimp

Note: At the November 1987 executive Board meeting, the BAP Committee and BOD members discussed and approved the separation of invertebrate species from our current BAP program. The primary reason for this was due the two different modes of reproduction (sexual vs asexual). It was additionally agreed upon that a new separate category, similar to the Specialty Award Class, would be established. In this way those who choose to devote the time to invertebrate reproduction could do so and achieve recognition for their efforts. This new class is presently under investigation.

For the few people who have already received credit for invertebrate reproductions, their points will remain. When the new invertebrate class is established, the club members who have received points will have the opportunity to leave their points where they currently are or have them transferred to the new class.

If you have any invertebrates reproduce, fill out a BAP form as you would for a fish species, have the invert witnessed, and give your signed form to the BAP Chairperson. These sheets will be kept on file until such time that the new class is established.

**CENTRAL NEW YORK AQUARIUM SOCIETY
AQUATIC HORTICULTURE AWARD PROGRAM
(AHAP)
(Revised 7/2008)**

PURPOSE

- A. To recognize outstanding achievement in growing and propagating aquatic plants.
- B. To gather information and knowledge of aquatic plants and their requirements with the additional bonus of having more beautiful aquariums and inhabitants.
- C. To identify new aquatic plant species and conditions required for their care in the aquarium.
- D. To establish a record of aquatic plant species and conditions required for their maintenance, which will be available to all members.

ELIGIBILITY

All members are eligible for the Aquatic Horticulture Award Program. If a member does not renew his/her membership, their points will be kept on the "inactive" list until such time that they renew their membership.

COMMITTEE

- A. The AHAP Committee will consist of a Chairman and at least 2 additional appointed members.
- B. The duties of the committee shall consist of witnessing the propagation of aquatic plants as outlined, maintaining an accurate record of the points standing, reporting these to the membership and obtaining/presenting awards.

AWARDS

BEGINNING AQUATIC HORTICULTURALIST: 50 Pts.
Aquarist must accumulate a total of 50 points.

AQUATIC HORTICULTURALIST: 100 Pts.
Aquarist must accumulate a total of 100 points. In addition to completing the Beginning requirements, an additional 50 points must be earned.

SENIOR AQUATIC HORTICULTURALIST: 150 Pts.
Aquarist must accumulate a total of 150 points. Aquatic Horticulturist plus 2 species from Group C, and 2 from Group D, and propagate 20 species total.

EXPERT AQUATIC HORTICULTURALIST: 200 Pts.
Aquarist must accumulate a total of 200 points. Senior Aquatic Horticulturist plus 1 species from Group E and propagate 28 species total.

MASTER AQUATIC HORTICULTURALIST: 300 Pts.
Aquarist must accumulate a total of 300 points. Expert Aquatic Horticulturist plus an additional species from Group E and a total of 35 species propagated.

GRAND MASTER HORTICULTURALIST: 450 Pts.
Aquarist must accumulate a total of 450 points. Master Aquatic Horticulturist plus an additional species from Group E, 1 species from Group F, and a total of 55 species propagated.

SPECIES AWARD: Given to participating AHAP members who complete 11 of the 14 species classes.

GREEN THUMB AWARD: Presented to the member who earns the most points in one club year.

REPRODUCTION REQUIREMENTS

1. **For all species,** verification and registration of propagation in Groups A through E may be verified by a member of the AHAP Committee in the active member's residence.
2. **Floating plants.** Doubling of the original amount/area.
3. **Bunch plants.** Doubling of the original plant in height.
4. **Reproduction by runner or division.** Reproduction is achieved when a newly formed plant is grown in aquarist's tank from a runner or rhizome that was grown in the aquarist's tank. The newly formed plant must live independently from the parent plant for 30 days while the parent plant is still alive and in good health.
5. **Rhizome plants (Anubias).** Plants must double in length.
6. **Flowering.** Must be witnessed when in full bloom, attached to the plant, in the member's aquarium/pond.
7. **Reproduction sexually (from seed).** One plant reproduced by sexual means from an aquarist's own parent plant. Seeds and reproduced plants must be from the member's own parent plant, not from a supplier or breeder. The Chairman of the AHAP Committee witnesses new plant 30 days after developing into a miniature plant. The reproduction must be verified at least twice; once when flowering and once when the young plants are old enough to be recognized as being the young of the parent plant.

ADDITIONAL CRITERIA

1. Plants reproduced must conform with the following definition of an aquatic plant: "An aquatic plant is one which, in the wild or native state, can be grown in the submerged state as a normal occurrence at some time during the course of any one complete season."
2. Plants must be identified by the aquarist and verification made by the AHAP Committee. A good book for identification is Aquarium Plants: The Practical Guide by Pablo Tepoot or Aquarium Plants by Dr. Rataj & Thomas Horeman.
3. In order to have his/her points recorded, the aquarist must submit a completed, witnessed

Report Form. A club member may review the forms on file from the Chairman who will make them available at all club meetings.

4. For Groups E and F the aquarist must write an article for publication in the club bulletin or orally at a meeting.
5. The propagation must take place in the aquarist's own tank.
6. Any plant not included in the point grouping will be assigned points by the AHAP Committee upon request.
7. Any questions you may have as to the interpretation of the rules or any suggestions as to their improvements should be submitted to the AHAP Chairman.
8. All propagations are recorded and kept on file.
9. It is MANDATORY that completed sheets be submitted to the AHAP chairman BEFORE points are to be awarded for any group.

The following is a list of species by point group.
This is not complete and is intended to be used only as a guide.

GROUP A

5 POINTS

or counts as one species

Azolla species (floating fern)
Ceratopteris species
Ceratophyllum species
Elodea species
Hygrophilia species (except *H. difformis*)
Lemna species
Riccia species
Sagittaria species
Salvinia species
Vallisneria species

GROUP B

10 POINTS

or counts as one species

Bacopa species
Cabomba species
Cardamine species
Echinodorus tenellus only
Eleocharis species
Fontinalis species
Hydrocotyle species (pennywort)
Hygrophilia difformis (water wisteria)
Limnophila species (ambulia)
Lobelia species
Ludwigia species
Myriophyllum species
Najas species (pondweed)
Nitella species
Nomophila species (temple plant)
Nuphar species except Spatterdock
Nymphaea chromatella
Rotala species
Utricularia species
Vesicularia dubyana (java moss)

GROUP C

15 POINTS

or counts as 1 species

Aponogeton species (except Madagascar Lace)
Cryptocoryne species
Didiplis diandria (water hedge)
Echinodorus species (except Pygmy Chain Sword)
Eichhornia crassipes (water hyacinth)
Isoetes species
Marsilea species
Microsorium pteropus (java fern)
Pistia species
Trapa natans (water chestnut)

GROUP D

20 POINTS

or counts as 1 species

Aldrovanda species
Anubias species
Any Marine Plant
Aponogeton madagascariensis
Lagenandra species
Nuphar luteum
Ottelia alismoides

GROUP E

FLOWERING

Additional points for flowering will be the same as the propagation of the plant: ie., Cabomba - 10 points, Echinodorus - 15 points

GROUP F

SEXUALLY REPRODUCING PLANTS

Extra points as for the species group as outlined in Group E above.

CNYAS WRITER'S AWARD PROGRAM (WAP)

(revised Sept 2008)

PURPOSES

- A. To encourage the writing of articles for The Reflector and the development of writing skills by CNYAS members.
- B. To acknowledge the accomplishment of CNYAS members contributions to the hobby through their writing and artistic efforts.
- C. To encourage a spirit of competition for the annual "Scaly Eraser Award".
- D. To increase information about the tropical fish hobby to CNYAS members.

ELIGIBILITY

Participation is open to all CNYAS members. Articles by non-members will not qualify retroactively upon joining CNYAS. Articles required by CNYAS offers and committee chairs are not eligible.

AWARDS

- A. The Scaly Eraser Award will be given to the CNYAS member who accumulates the highest number of points, as described in the points accumulation rules, for original articles and/or artwork published in The Reflector from May of one year through April of the next. Points for this award will include bonus points earned for previously published articles earned during the same time frame. This award shall be a plaque. Points must include at least one original article (i.e. not just mentions or reprints). If there are not at least 2 writers participating, the award will be given at the discretion of the Committee.
- B. Accumulated Points Awards shall consist of a plaque with the CNYAS Logo and four plates for inscribed levels achieved.

Writer's Award: Participants must accumulate 50 points, at least 30 of which are from the basic point rules.

Author's Award: Participants must achieve the Writer's Award level and accumulate 100 points, at least 60 of which are from the basic point rules.

Wordsmith Award: Participants must achieve the Author's Award and accumulate 200 points, at least 120 of which are from the basic point rules.

Pen & Quill Award: Participants must achieve the Wordsmith Award and accumulate 400 points, at least 240 of which are from the basic point rules. Participants must have at least (2) articles reprinted in another club's publication.

PROFESSIONAL AWARD

This separate award requires that the participant achieves at least the Wordsmith Award Level and have a previously unpublished article published in a national or international, for profit publication. It shall consist of a plate that hangs from the bottom of the basic awards plaque.

COMMITTEE

- A. The Writer's Award Program Committee shall consist of a chairperson and up to two (2) members. The Exchange Editor must be a member of the committee and may be the chairperson.
- B. The duties of the committee are:
 1. Maintain records of the points earned by all participants;
 2. Provide a report each month of the current standings, to The Reflector Editor, by the editor's deadline date.

POINT ACCUMULATIONS

- A. Points will be awarded based on the following schedule for articles first published in The Reflector, from May of one year through April of the following year.
- B. All point awards are at the sole discretion of the committee.
- C. Articles and/or artwork not published within the time frame, for any reason, will be included in the year's competition in which they occur.
- D. Co-authored articles will have the points split evenly.
- E. If any member should not renew his/her membership, accumulated points will be kept on an inactive list until such time as membership is renewed.

BASIC POINTS

- 10 Required BAP or HAP articles.
- 10 Short articles (less than 50 words) such as Tips, etc.
- 20 Not required articles on any hobby-related subject, including letters to the editor, of more than 50 words.
- 20 Original hand-drawn artwork of fish or plants.
- 10 Other original drawings or cartoons, hand-drawn, or computer assisted.

BONUS POINTS

For reprinted items appearing in publications that the Exchange Editor does not receive, it will be the responsibility of the author to provide proof to the committee by May 1 of the contest year.

- 20 A continuing column of six or more editions within the time frame of the contest. Awarded upon publication of the sixth (6th) edition each year that the column is written.

- 10 Articles reprinted in another club's publication (each reprinting).
- 6 Articles reviewed in another club's "Exchanges Column", each review.
- 10 Any artwork reprinted in another club's publication (each reprinting).
- 10 Articles mentioned or reviewed in a "for profit" hobby publications.
- 30 Articles reprinted (with permission of the author) in a "for profit" hobby publication. These may be edited by the publication or the author but must be substantially the same. These points will be awarded only if the CNYAS and The Reflector are credited.
- 5 Original photo submitted with an article.

Articles receiving awards in hobby publication award programs will be awarded bonus points based on the following schedule;

- 50 Article/Author of the Year
- 40 First in category
- 30 Second in category
- 20 Third in category
- 10 Fourth in category or honorable mention.
